THE SCIENCE OF LIGHT

FOUR CLINICAL WAVELENGTHS.

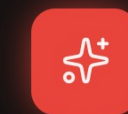

Acne, dullness, fine lines, deep fatigue — every concern has its wavelength. The G240 layers all four to treat skin at every depth.

MODES & CONTROL

FOUR SKINCARE MODES.

Preset light blends for every goal — selected in one touch from the handheld LCD remote.

ANTI-AGING

THE ARCH ADVANTAGE

HANDS-FREE COVERAGE.

Handheld panels make you hold still and aim. The G240's self-standing arch dome bathes your entire face and neck at once — completely hands-free. Just lie back, pick a mode, and let the light work while you unwind.

**FULL
FACE**
Even, wrap-around light

**NECK &
CHEST**
Upper-body reach

MEMORY
Recalls last mode

BUILD & FORMAT

680 × 257 × 8.5 MM
Slim self-standing arch with stable metal feet.

 **1200 G — FEATHERLIGHT**
Folds flat and travels easily, controller included.
