NEAR-INFRARED

CORDLESS &
RECHARGEABLE

REVIVE · RESTORE · RADIATE

ONE HANDHELD DEVICE

4 CLINICAL WAVELENGTHS.

Dual-chip LEDs deliver four clinical
wavelengths — visible red for skin and
circulation, near-infrared for deep
muscle and joint recovery.

630

RED

DEEP RED

830

NIR

850

NIR

VISIBLE RED LIGHT

NEAR INFRARED

12 DUAL-CHIP LEDS

Dual chips, dual
wavelengths — 5W
each for full output.

≥130 MW/CM²

High clinical irradiance
at 3 inches in L1 mode.

30° FOCUSED BEAM

Concentrated output
for precise, targeted
therapy.

8000MAH CORDLESS

Large lithium battery —
therapy anywhere,
untethered.

SMART TIMING & PULSE

Built-in timer, dimming
and NIR pulse function.

FDA REGISTERED

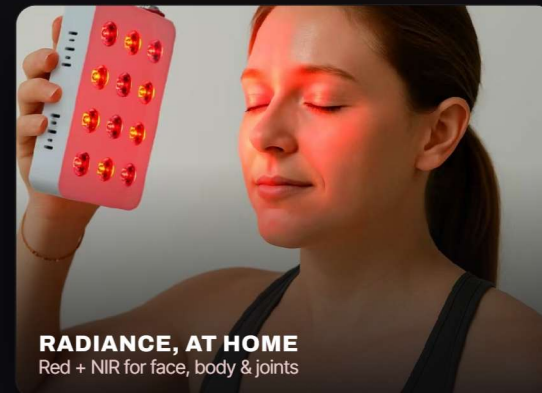

Produced in an ISO-
grade manufacturing
facility.

"Four wavelengths. One pocket-sized
device."

ONLY WITH MINI60PRO

RESULTS YOU SEE & FEEL

SCIENCE-BACKED BENEFITS.

RADIANCE, AT HOME

Red + NIR for face, body & joints

SKIN REJUVENATION

630 & 660nm red light boosts collagen,
evens tone and restores a healthy,
youthful glow.

MUSCLE RECOVERY

Near-infrared penetrates deep to
ease post-workout fatigue and
speed recovery.

JOINT & MOBILITY

Helps relieve discomfort in knees,
elbows and wrists and supports
easy movement.

DAILY WELLNESS

Improves circulation and supports overall
well-being, day to day.

CELLULAR ENERGY &
ATP

CIRCULATION & OXYGEN

HEALTHY INFLAMMATION

BETTER SLEEP &
RECOVERY

ONE DEVICE · EVERY SPOT

TARGETS MULTIPLE AREAS.

Light, cordless and palm-sized — point and treat any area without re-positioning a panel or running a cord. Three inches from skin is all it takes.

TARGETS MULTIPLE AREAS

WHY IT'S SO CONVENIENT

- LIGHTWEIGHT**
0.55 kg — comfortable to hold for a full 10–15 min session.
- CORDLESS FREEDOM**
8000mAh battery — treat anywhere, no outlet required.
- FOCUSED 30° BEAM**
Concentrate dose precisely where you need it most.
- QUICK DAILY SESSIONS**
10–15 minutes per area, 3–5×/week for visible results.

MORE TECHNOLOGY · MORE VALUE

WHY GLOW MINI60PRO?

FEATURE	MINI60PRO	TYPICAL RIVALS
