TWO-PIECE

SAFETY
CERTIFIED

THE SCIENCE OF LIGHT FOUR CLINICAL WAVELENGTHS.

Dullness, breakouts, fine lines, sagging — every concern has its wavelength. A balanced 1:1:1:1 spectrum targets all four at the cellular level.

415
NM · BLUE

PURIFY

Calms breakouts and excess oil for clearer, smoother-looking skin.

590
NM · YELLOW

BRIGHTEN

Lifts dullness and evens tone for visible radiance and glow.

660
NM · RED

FIRM

Stimulates collagen to firm skin and soften fine lines & wrinkles.

850
NM · NIR

RENEW

Penetrates deep to renew, repair and rebuild lasting resilience.

WHERE OTHERS STOP, WE DON'T

Dedicated face mask + neck & décolleté panel

Your neck and décolleté give age away first — thinner skin, less collagen, years of sun. Yet almost every LED mask stops at the jawline. The BEAUNECK panel treats these forgotten zones with a dedicated panel, so firmness and radiance never end at your chin.
